

# CryptoGuard Insurance: Web3 Safety Guidelines

**Introduction:** Welcome to CryptoGuard Insurance! We are committed to providing you with robust insurance services for your digital assets while prioritizing your security and privacy. This Web3 Safety Guidelines outlines the terms of use and best practices to ensure a secure and responsible experience with our web app, our services, and the blockchain scene in general.

1. **Acceptance of Terms:** By using our web app and services, you agree to comply with the terms and conditions outlined in this agreement. If you do not agree with any part of these terms, please refrain from using our services.

## 2. Privacy and Security:

a. **Seed Phrase and Key Phrases:** CryptoGuard Insurance will never request your seed phrase or key phrases. Your private keys and seed phrases are sensitive information, and you should never share them with anyone, including CryptoGuard Insurance staff.

## b. Web3 Safety Guidelines:

- i. **Secure Environment:** Ensure that you use our services in a secure and private environment, minimizing the risk of unauthorized access.
- ii. **Browser Extensions:** Exercise caution when using browser extensions. Only use reputable extensions, and be wary of granting unnecessary permissions.
- iii. **Phishing Awareness:** Be vigilant against phishing attempts. Double-check URLs, use bookmarks, and avoid clicking on suspicious links.
- iv. **Smart Contract Interactions:** Before interacting with smart contracts, carefully review the contract's code, verify its authenticity, and use well-known platforms for transactions.
- v. **Wallet Security:** Keep your MetaMask or other wallet applications updated. Use strong and unique passwords, enable two-factor authentication, and never share your password or recovery phrases.
- vi. **Public Wi-Fi:** Avoid accessing your crypto assets through public Wi-Fi networks. Use secure and private connections to reduce the risk of unauthorized access.

## 3. Responsible Use:

- a. **Blockchain Ethics:** Act responsibly within the blockchain ecosystem. Do not engage in activities that intentionally violate privacy, exploit vulnerabilities, or compromise the security of the network.
- b. **Legal Compliance:** Abide by all applicable laws and regulations related to digital asset ownership and insurance. Ensure compliance with local laws governing the use of cryptocurrency.

#### 4. Educational Resources:

- a. **Continuous Learning:** Stay informed about the latest developments in blockchain security and privacy. Utilize educational resources provided by CryptoGuard Insurance and other reputable sources to enhance your understanding.

#### 5. Support and Communication:

- a. **Legitimate Communication:** CryptoGuard Insurance will communicate important information through official channels or through the email and phone number provided upon checkout when it has been agreed upon between you and the agent. Be cautious of phishing attempts and don't give out your phone number to anyone.
- b. **Customer Support:** If you require assistance, contact our customer support making a claim. Never share sensitive information in unsolicited messages.

Your security is our priority, and adherence to these guidelines ensures a safe and secure experience with not just CryptoGuard Insurance, but the blockchain entity as a whole as well. We appreciate your commitment to responsible blockchain practices and value your trust in our services. Thank you for choosing CryptoGuard Insurance as your digital asset protection partner!
